

Pre-game sharing is not limited to only the Captain or Assistant Captain of a team. ALL players are welcome to share if they feel led. Please do keep in mind the following guidelines during your time of sharing.

- Keep your sharing time to 3-5 minutes.
- Share about something personal that other team members could relate to (who is God to you, what turning point did you have in your life, what brought you to CSL, etc.).
- Remember that you are sharing with non-believers.
- Use words and terminology that will be understood and well received by both Christians and non-Christians.
- Sharing should be considerate of others and respectful of others with differing beliefs.
