Each signature represents that team member's agreement to the sportsmanship contract and release of liability. A non-playing captain is defined as someone who provides leadership/coaching for that team, but shall not play on the court with that team during league matches.

*Clause 3.2.2*      In case of schedule conflict a non-playing captain's priority must be to the team being captained rather than to the team on which they are a player. Each entry must be in the same position in the line-up. E) More than one substitute may enter the set in each position.

*Clause 6.1.2* A service executed when the opposing team is not set is cancelled and repeated.

*Clause 6.1.3* The ball shall be hit with one (1) hand or any part of the arm after being tossed or released from the hand(s).

*Clause 6.1.4* The ball is not required to leave the server's hand before it is struck. The server has a maximum of two (2) tosses; the first toss must drop if not struck.

*Clause 6.1.5* Screening: The players of the serving team must not prevent their opponent from seeing the server or the flight path of the ball. Players or a group of players of the serving team may not make a screen by waving arms, jumping or moving sideways during the serve, or by standing grouped to hide the flight path of the ball.

## Volleyball League Rules [Updated January 2024]

*Clause 6.1.6* The ball may touch the net during the serve.

*Clause 6.1.7* Due to some gyms with limited space behind the service line, a server's feet MAY touch the service line during serves. As long as part of their foot which is closest to the net, is touching the line or takes off from the line for a jump serve, it is considered a legal serve.

### Section 6.2 CHARACTERISTIC OF THE HIT –

*Clause 6.2.1* The ball may touch any part of the body.

*Clause 6.2.2* The ball must be hit, not caught and/or thrown. It can rebound in any direction.

*Clause 6.2.4* Receiving a served ball with an overhead pass is allowed, however the ball must not be caught or thrown.

*Clause 6.2.5* The serve receiver may receive the ball with double contacts if the contact is made with one motion (i.e. a player cannot take two swings at the ball).

*Clause 6.2.6* If TWO (2) or THREE (2) players of the same team contact the ball simultaneously it is considered TWO (2) OR THREE (3) hits

### Section 6.3 ATTACK HIT –

*Clause 6.3.1* All actions which direct the ball toward the opponents, with the exception of SERVICE or BLOCK, are considered ATTACK HITS.

*Clause 6.3.2* A back-row player may complete an attack hit at any height from behind the front zone. A back row player may also complete an attack hit from the front zone, IF at the moment of contact the ball is not entirely higher than the top of the net.

*Clause 6.3.3* No player is permitted to attack hit an opponent's service, when the ball is in the front zone and entirely higher than the top of the net.

*Clause 6.3.4* Attack hits may be received with double contacts with various parts of the body (but no lifts), as long as the contact is made with one motion (i.e. a player cannot take two swings at the ball).

### Section 6.4 REACHING BEYOND THE NET – BLOCKING –

*Clause 6.4.1* A blocker may touch the ball beyond the net, provided that he/she does not interfere with the opponents' play before or during the opponent's attack hit.

## Volleyball League Rules [Updated January 2024]

*Clause 6.4.2* After an attack hit, a player is permitted to pass his/her hand beyond the net (follow-through), provided that the hit contact has been made within his/her own playing space.

*Clause 6.4.3* A block is not a hit and is not counted on the consecutive hit rule. If one or more players are attempting to block and they are contacted by the ball, the player(s) is eligible to participate in the next play.

Clarification: A player is considered a blocker only if he/she has a part of their body over the net. If a player does not have a portion of their body over the net they are not considered a blocker and their contact with the ball is considered the first (of 3) hits - not a block.

*Clause 6.4.4* If two (2) or more players from opposing teams contact the ball simultaneously above the net, any of the players involved are eligible to participate in the next play. The next play shall be considered the first of three (3) hits.

*Clause 6.4.5* If simultaneous hits by two (2) opponents above the net lead to extended contact with the ball (a “joust”), play continues.

*Clause 6.4.6* Blocking the serve is forbidden.

### Section 6.5 TOUCHING THE NET –

*Clause 6.5.1* Contact with the net is a fault while the ball is in play.

*Clause 6.5.2* If a ball is driven into the net causing the net to hit a player, no fault is committed.

### Section 6.6 PENETRATION UNDER THE NET –

*Clause 6.6.1* To touch the opponent's court with any part of the body *above the feet* IS PERMITTED provided it does not interfere with the opponent's play.

*Clause 6.6.2* To touch the opponent's court with a foot (feet) is permitted, provided that some part of the penetrating foot remains either in contact with, or directly above the centerline.

### Section 6.7 BALL OUT OF BOUNDS / OUT OF PLAY –

*Clause 6.7.1* A ball remains in play if it contacts a ceiling or other overhead objects above your playing area. The ball is out of play if it makes contact above the opponents playing area or above the teams playing area and crosses into the opponent's court.

*Clause 6.7.2* The ball is considered OUT when no part of the ball CONTACTS the line outside the playing area. The ball is considered IN when any part of the ball CONTACTS the line and inside the playing area.

Should the suspended player participate in the next scheduled match or as a spectator act in an unsportsmanlike manner, the team will receive an automatic forfeit. Persons refusing to leave the court after a suspension will cause a forfeit for their team. Depending on severity of situation, stages of penalties involving unsportsmanlike behavior could range to suspension from any league play for one calendar year.
